

## 89FRP - Digital Vehicle & Bike Tyre Inflator

89FRP-5004

### 89FRP-5004

#### 89FRP - Digital Vehicle & Bike Tyre Inflator

Introducing the new 89FRP-5004 inflator model that comes with the choice of dual inflation mode - vehicle and bicycle tyres. The inflator is very simple to operate, users can select the switch on the user-friendly control panel, to start the desired inflation for a safe, quick and accurate inflation.

The cast baseplate and extruded aluminium body, with in-built compressor and high quality powder coat finish makes it ideal for any service station forecourt.

The FEP series can be operated in different pressure measurement units; PSI or kPa. Furthermore, high quality piezo switches and a ceramic pressure sensor ensures years of trouble free operation.

The FEP kit includes a 10m air hose kit and a coupling cover to protect your hose against theft. Custom decals are also available on request. The additional 1m bicycle inflation hose is equipped with a twin head chuck dedicated for bicycle tyres with Presta/Dunlop or Schrader valves.

Finally an inflator that cyclist can safely use to inflate their tyres!

# 89FRP - Digital Vehicle & Bike Tyre Inflator

89FRP-5004

Features	
Two in one unit suitable for vehicle tyres OR bicycle tyres	
Corporate branding and colours available	
Easy installation	
High reliability (vandal resistant) Piezo switches	
Twin head chuck for bicycle tyres with Presta/Dunlop or Schrader valves	
International approvals	

Specifications	
Construction	Diecast Aluminum Enclosure
Dimensions	410W x 1400H x 450D mm
Power	220V-240VAC (optional 100~120VAC)
Measurement	Psi   kPa
Range	5 ~ 145 psi   35 ~ 1000 kPa   0.3-10.0 bar   0.4-10.2 kg/cm
Accuracy±	± 0.5% Full Scale

## Included Accessories

	22.0000	Hose Coupling Cover
	61.0008	Hose Assy Standard Black 10m
	31.0235	Compressor Assembly, Gast, 240V 50Hz, 8.6bar, c/w conversion kit, FRP
	77.0298	Warning Decal / Bike chuck Instructions
	61.0007	Bike Hose Kit

## Optional Accessories

	49.5102	FRP Kit Hold Down Bolts & Template
	49.0100	Hose Chuck (x10) Thread Tape Spanner Kit
	91.0213	Air Chuck Clip On Straight Brass 1/4 " BSP F
<b>Water</b>	75.XXXX	Decal Vinyl Cut 'Water' - brand options available
	97.XXXX	Water Converter Kit - brand options available
	91.0202	Twin Bicycle Head Chuck
	49.9105	Auto Air Chuck Adapter
